Visiting the houses

The event is free and all are welcome. Visits to these houses are possible thanks to the kindness and generosity of the householders. Please be respectful at all times and observe some basic rules:

- **Opening days vary.** See page 6 or the bottom of each page for opening times.
- **Tours.** Some houses have tours that last between half an hour and one and a half hours depending on the house. They are led by either the householder or a professional associated with the project. They are based around the eco features listed in this brochure. Some tours need to be booked and some are informal tours during an open house. See the house page on the website for booking details.
- **Times for open house sessions** are between 10am–1pm in the morning and 2pm–5pm in the afternoon unless otherwise specified. *Please do not visit between 1–2pm.*
- At some of the houses you may be asked to remove your shoes.
- Some of the houses are currently having building work done on them. **Take care when visiting.** Some brochure photographs show construction work which may have been completed by the time of your visit.
- **Children must be supervised** by an adult.
- **Sorry, no dogs** (please ask householder for permission to admit guide dogs).
- We encourage everyone to travel to each house by sustainable means. Details of BUSES and the NEAREST TRAIN STATION station are listed with each Eco Open House. To plan a journey see Traveline South East: www.travelinesoutheast.org.uk

Complete a pledge to enter our draw for a chance to win a free no obligation energy assessment of your home

After you have visited a home please complete a pledge form at the house to state what improvements you would like to make to your home, and the timescale over which you will make them. Everyone who completes a pledge form is entered into our prize draw to win a domestic building energy assessment by Jason Hannah, Project Lead, Community Energy Local.
